

WESTERN INTERNATIONAL COLLEGE ONLINE

Western International College (WINC), established in 2008, is a private higher education provider with campuses in Ras Al Khaimah, United Arab Emirates, and London, United Kingdom. The London campus is approved by the British Accreditation Council and serves as the central hub for a diverse array of UK-based and distance learning programmes, mainly focusing on Business and Computing disciplines.

WINC offers Foundation, Undergraduate, and Postgraduate degree programmes in collaboration with The University of Bolton and ATHE (Award for Training and Higher Education), making British degrees more accessible worldwide. The college's online platform, WINC Online, provides cutting-edge distance education, allowing students to pursue degrees without compromising their existing family or work schedules. The college is part of the Knowledge Group, which operates educational institutions across various countries, further extending its commitment to delivering quality education across borders.
